*400 Series paint colors are not an exact match to KI black, beige and warm grey.

600 Series

600 Series folding chairs allow for greater customization while still offering a durable folding chair solution. Choose from standard KI paints. Specify fabric or vinyl upholstery on seat and back in a variety of Pallas® Textiles, KI Ingrades or COM. Add custom screen printing to vinyl seat and back to personalize your folding chair.

Folding Chairs

The metal folding chair was KI's flagship product in 1941. Innovative for its time, it brilliantly answered the call for seating that was portable, stackable, durable and affordable.

Ever since, KI has listened and responded to market needs with insightful solutions.

As a nod to our foundation, the 400 and 600 Series folding chairs offer durable and affordable solutions for a variety of applications.
