

# INTELLECT WAVE<sup>®</sup>

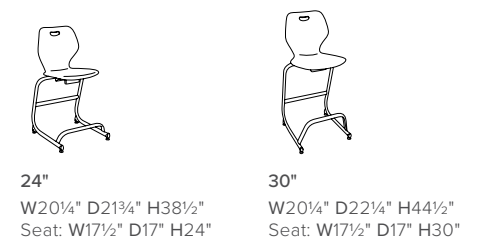

Café Stool

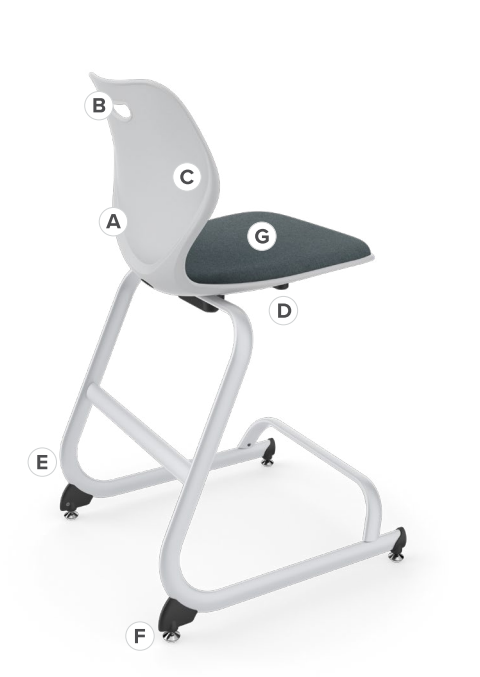

For classrooms, labs or cafeterias, Intellect Wave café stools create a fresh, contemporary visual. For room cleaning convenience, these stools stack on top of tables or desks. Unique flexing back provides exceptional comfort with a certain degree of movement. Engineered to withstand tough use, Wave exceeds industry standards for durability. The comprehensive Intellect Wave classroom furniture collection delivers student comfort, product durability and design continuity.

# STATEMENT OF LINE

## INTELLECT WAVE CAFÉ STOOL

## INTELLECT WAVE CAFÉ STOOL FEATURES

- A. Easy To Clean**  
Injection-molded gas pocket provides strength and durability without ribs, giving the stool a smooth back that results in easier cleaning.
- B. Easy To Move**  
Carrying handle is molded into the seat back allowing easy movement and stacking.
- C. Comfortable**  
Contoured sculpting of the seat and passive back flex provide maximum comfort.
- D. Stackable**  
Stacking bumpers protect other seats and desk tops when the stool is stacked.
- E. Durable**  
Oval frame tubing is more impact resistant than round tubing, making the frame less prone to bending and denting.
- F. Stability**  
Swiveling glides improve stability and contact with uneven floors.
- G. Material Options**  
Seat shell available in all poly, with upholstered seat or with upholstered seat and back.
