

LANCASTER®

Auditorium Seating

ESSENTIALLY PRACTICAL, EMINENTLY ADAPTABLE

Lancaster auditorium seating offers a unique design featuring plush comfort with extra-thick, three-inch seat foam and a gently contoured back. Resilient support webbing results in more “give” and response. Durable and easy to maintain, Lancaster’s gravity-lift seats have no springs to wear out, ensuring trouble-free longevity. Create a design statement and enhance aesthetic appeal with an array of material and fabric selections.

STATEMENT OF LINE

Lancaster auditorium seating is available in five standard widths plus two bariatric widths. Choose from poly back or wood back with standard shared arms or tablet arms. High back panels are available in wood only. Options include power with USB, ADA accommodations, acoustical seat pans, cup holders, aisle lights, row markers and seat numbers.
