

Let's go!

engaging configurations | versatile functionality | cohesive aesthetic

Let's go! - with better balance, strength and stability

Let's Go was inspired by the human form. When legs are positioned in a walking motion, there is a better distribution of weight and balance, making for greater strength and stability. Hence, Let's Go' side-by-side welded legs. It's a feat in ease and lightness, making it perfect for many locations and uses including training, conference, occasional, hospitality and dining.

Tilt Nest: For quick and convenient storage when not in use.

Power & Data: All power options available. Flip top, Grommet, Vertebrae, Cable channels.

Mobility: Strong 3" lockable casters for easy configuration and glides also.

Finishes & Materials: Unsurpassed standards program and available custom finishes combine so you can specify the table you need and the look you desire.

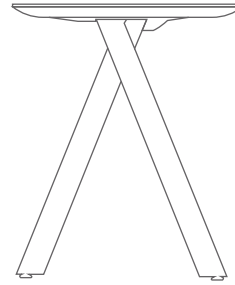

Let's go! Statement of Line

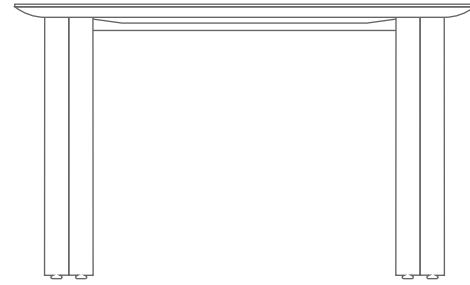

Optional glides offer stability for tables where mobility is less desired

Lockable Castor

1200W x 5 00D x 730H
1200W x 6 00D x 730H
1200W x 7 50D x 730H

1 500W x 5 00D x 730H
1 500W x 6 00D x 730H
1 500W x 7 50D x 730H
1 800W x 5 00D x 730H
1 800W x 6 00D x 730H
1 800W x 7 50D x 730H

Let's go offer 14 colours on understructure
