

INTRODUCTION

Introducing Song, a revolutionary tub chair designed by renowned designer Michael Young and crafted by Worklyffe. This modern, eco-friendly chair combines comfort, style, and sustainability into one sleek design. Made with 100% recyclable materials, Song is lightweight and mobile, making it the perfect seating solution for any space, from residential areas to commercial settings.

DESIGNER

Designed by Michael Young, a celebrated name in modern design, the Song Tub Chair reflects his commitment to blending innovation with style. Michael Young's work with Worklyffe ensures a product that meets the highest standards of functionality and aesthetic appeal.

STITCHING DETAILS

The chair's fabric options are meticulously tailored to perfection, offering a range of stitching patterns that enhance both durability and design. Whether bold or subtle, the stitching aligns seamlessly with the customizable finishes to match diverse preferences.

TEXTURE

Song offers an array of fabric textures and finishes to suit various spaces and styles. From soft, inviting materials for residential settings to sleek, professional designs for corporate environments, the textures are chosen to complement the chair's overall appeal.
