DESIGNER

Designed by Union

UNION is an award-winning product design firm founded by Shaun Smith and Jeff Theesfeld. Both graduates of Philadelphia University with degrees in industrial design, the pair first forged a partnership as owners of renowned furniture design and development firm, Shea+Latone. With UNION, they have taken their years of product design and development experience to create a design studio that focuses on creating simple, yet beautiful, designs while striving for function at its best. Working with a global client base, they have established themselves as contract furniture specialists. They have the unique expertise to combine advanced mechanisms and ergonomics with thoughtful design aesthetics. Their design approach has earned them Best of NeoCon as well as the iF Design Award.

1. Customizable poufs with unique designs that perfectly complement your space, reflecting your individuality and taste.
2. Our poufs prioritize comfort, ergonomics, and sustainability, using environmentally friendly materials for a conscientious furniture choice.
