

INTRODUCTION

At Worklyffe, we believe that furniture should be more than just functional. It should embody your unique ideas, support your well-being, and contribute to a sustainable future. That's why we are thrilled to present our exceptional line of poufs that beautifully merge style, ergonomics, longevity, and sustainability. Imagine a pouf that perfectly complements your office, or any space you desire. Our team of skilled designers and craftsmen work meticulously to bring your ideas to life. We understand that every detail matters, from the fabric selection to the stitching patterns, ensuring a bespoke piece that reflects your individuality and taste.

1. Customizable poufs with unique designs that perfectly complement your space, reflecting your individuality and taste.

2. Our poufs prioritize comfort, ergonomics, and sustainability, using environmentally friendly materials for a conscientious furniture choice.

DESIGNER

Luca Nichetto, the visionary designer who founded his eponymous multidisciplinary design practice in Venice, Italy in 2006. With a specialization in industrial design, product design, and design consultancy, Luca's collaborations with various brands and organizations have propelled his influence far beyond Italy's borders. Partnered with talented designer Francesco Dompieri, Nichetto Studio expanded its horizons, catering to a growing demand for collaboration from international companies. Experience the brilliance of Luca Nichetto's design philosophy at Worklyffe, where his innovative works transcend the boundaries of conventional design.

STITCHING DETAILS

Exquisite stitching. Double-stitched seams, reinforced corners, and precise piping by skilled artisans. Our commitment to craftsmanship ensures long-lasting durability. Quality is our priority, guaranteeing furniture that exceeds expectations and stands the test of time. Whether upholstered in a light or a dark fabric, this stitching detail always appears as a contrasting element. Contrast stitching also traces the seat edge.

1.Our poufs feature double-stitched seams for superior strength and durability, ensuring the longevity of the product.

2.Reinforced Corners: We pay special attention to reinforcing the corners of our poufs, using additional stitching to maintain their shape and structural integrity over time.

FEATURES

Versatile and Multifunctional Furniture to Suit Your Every Need. Our poufs are meticulously crafted to offer endless possibilities. Use them as footrests, extra seating for guests, or even as stylish side tables. With their adaptable design, our poufs seamlessly blend into any space. Seeking a chic accent piece?
